Dear Mr Chow

Request for Trading Halt

Environmental Clean Technologies Limited (ASX: ECT) requests an immediate trading halt in the Company's securities pursuant to ASX Listing Rule 17.1.

The Company is in the process of finalising an announcement in relation the signing of the Research and Collaboration Agreement with our Indian project partners.

We are not aware of any reason why the trading halt should not be granted, and we anticipate that the halt will be ended by an announcement by the Company.

Yours sincerely
