- one proxy if the member is only entitled to one vote; or
- two proxies if the member is entitled to more than one vote.

Where the member appoints two proxies, the appointment may specify the proportion or number of votes that each proxy may exercise. If the appointment does not specify a proportion or number, each proxy may exercise one half of the votes, in which case any fraction of votes will be discarded. A proxy need not be a member of the Company.

If you require an additional Proxy Form, please contact the Share Registry at hello@automic.com.au or call on 1300 288 664.

The Proxy Form and the power of attorney or other authority (if any) under which it is signed (or a certified copy) must be received by the Share Registry no later than 12.00 pm on Saturday, 25 November 2023 (that is, at least 48 hours before the meeting). Proxy Forms from corporate shareholders must be executed in accordance with their constitution or signed by a duly authorised attorney.

A proxy may decide whether to vote on any motion except where the proxy is required by law or the Constitution to vote, or abstain from voting, in their capacity as a proxy. If a proxy directs how to vote on an item of business, the proxy may only vote on that item, in accordance with that direction. If a proxy is not directed how to vote on an item of business, a proxy may vote how they think fit.

The Constitution provides that where the appointment of a proxy has not identified the person who may exercise it, the appointment will be deemed to be in favour of the Chairman of the meeting to which it relates, or to another person as the Board determines.

If a shareholder appoints the Chairman of the meeting as the shareholder's proxy and does not specify how the Chairman is to vote on an item of business, the Chairman will vote, as a proxy for that shareholder, in favour of the item on a poll.

BODY CORPORATE REPRESENTATIVES

- A corporation, by resolution of its directors, may authorise a person to act as its representative to vote at the meeting.
- A representative appointed by a corporation may be entitled to execute the same powers on behalf of the corporation as the corporation could exercise if it were an individual shareholder of the Company.
- To evidence the authorisation, either a certificate of body corporate representative executed by the corporation or under the hand of its attorney or an equivalent document evidencing the appointment will be required.
- The certificate or equivalent document must be produced prior to the meeting.

2. ORDINARY BUSINESS – ANNUAL FINANCIAL REPORT

In accordance with section 317(1) of the Corporations Act, the Annual Report must be laid before Annual General Meeting. There is no requirement for Shareholders to approve the Annual Report.

At the Meeting, Shareholders will be offered the opportunity to:

- discuss the Annual Report which was sent to those Shareholders who elected to receive the Annual Report or is available online at www.ectltd.com.au;
- ask questions about, or comment on, the management of the Company; and
- ask the auditor questions about the conduct of the audit and the preparation and content of the Auditor's Report.

In addition to taking questions at the General Meeting, written questions to the Chairman about the management of the Company, or to the Company's auditor about:

- the preparation and the content of the Auditor's Report;
- the conduct of the audit;
- accounting policies of the Company in relation to the preparation of the financial statements; and
- the independence of the auditor in relation to the conduct of the audit,

may be submitted no later than five business days before the Meeting to the Company Secretary at the Company's registered office.

3. RESOLUTION 1 – REMUNERATION REPORT

Section 250R(2) of the Corporations Act requires the Company to put to its Shareholders a resolution that the Remuneration Report as disclosed in the Company's Annual Report be adopted. The Remuneration Report is set out in the Company's Annual Report and is also available on the Company's website.

The vote on Resolution 1 is advisory only and does not bind the Directors or the Company.

However, if at least 25% of the votes cast are against adoption of the Remuneration Report at two consecutive annual general meetings, the Company will be required to put a resolution to the second Annual General Meeting (**Spill Resolution**), to approve calling a general meeting (**Spill Meeting**). If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must then convene a Spill Meeting within 90 days of the second annual general meeting. All of the Directors who were in office when the applicable Directors' Report was approved, other than the Managing Director, will need to stand for re-election at the Spill Meeting if they wish to continue as Directors.

The Remuneration Report for the financial year ended 30 June 2022 did not receive a vote of more than 25% against its adoption at the Company's last annual general meeting. Accordingly, if at least 25% of the votes cast on Resolution 1 are against adoption of the Remuneration Report, it will not result in the Company putting a Spill Resolution to Shareholders.

The Remuneration Report explains the Board policies in relation to the nature and level of remuneration paid to Directors, sets out remuneration details for each Director and any service agreements and sets out the details of any equity-based compensation.

The Chair will give Shareholders a reasonable opportunity to ask questions about, or make comments on, the Remuneration Report.

4. RESOLUTION 2 – RE-ELECTION OF JAMES BLACKBURN

4.1 General

Article 13.2 of the Constitution requires one-third of all Directors (except for the Managing Director), or if their number is not a multiple of three, then the number nearest one-third (rounded down to the nearest whole number) to retire at each annual general meeting.

Article 13.2 of the Constitution states that a Director who retires under article 13.2 of the Constitution is eligible for re-election.

Resolution 2 provides that Mr James Blackburn retires by rotation and seeks re-election as a Director.

4.2 Qualifications

Mr James Blackburn was appointed as a Director by the Board on 11 September 2019 and being eligible, offers himself for re-election at the General Meeting.

James Blackburn has held numerous roles as chairman, executive and non-executive director on ASX listed company, private company and not-for-profit boards over the past

15 years. He is a graduate of the Australian Institute of Company Directors and formally educated in corporate governance, compliance and mediation.

4.3 Recommendation

The Board (other than Mr Blackburn) recommends that Shareholders vote **IN FAVOUR** of Resolution 2.

5. RESOLUTIONS 3 – 7 – APPROVAL OF THE ISSUE OF SHARES TO DIRECTORS AND RELATED PARTIES OF THE COMPANY

5.1 General

Resolutions 3 – 7 seek Shareholder approval for the purposes of ASX Listing Rule 10.11 to allow the Company to issue 14,510,000 Shares (**New Shares**) as follows:

- (a) 2,720,000 New Shares to Mr James Blackburn (a Director of the Company);
- (b) 2,720,000 New Shares to Mr Tim Wise (a related party of the Company by virtue of being a Director within the last 6 months);
- (c) 3,630,000 New Shares to Mr Sam Rizzo (a Director of the Company);
- (d) 1,810,000 New Shares to Mr Zak Rizzo (a related party of the Company by virtue of being the son of a Director of the Company, Mr Sam Rizzo); and
- (e) 3,630,000 to Ms Catherine Charnaud (a related party of the Company by virtue of being the spouse of a Director of the Company, Mr Sam Rizzo),

(collectively, the **Recipients**, when referred to in this section 5).

The New Shares will be issued to the Recipients on the same terms and conditions as the Placement Shares were issued to non-related parties under the Placement.

The issue of the New Shares is intended to occur within 5 business days after Resolutions 3 – 7 are approved by Shareholders at the General Meeting. The New Shares will not be issued more than one month after the date of the Meeting (or such later date as is permitted by ASX).

5.2 Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must, pursuant to section 208 of the Corporations Act:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act. One of the exceptions is that the benefit is given on arm's length terms.

The issue of New Shares constitutes giving a financial benefit and the Recipients are each a related party of the Company by virtue of being Directors or related parties of the Company.

The Directors (other than the Recipients who have a material personal interest in the Resolution) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue of New Shares because the New Shares will be issued to the Recipients on the same terms as the Placement Shares were issued to non-related parties in the Placement and as such giving of the financial benefit is on commercial arm's length terms.

5.3 ASX Listing Rule 10.11

ASX Listing Rule 10.11 also requires shareholder approval to be obtained where an entity issues, or agrees to issue, securities to a related party, or a person whose relationship with the entity or a related party is, in ASX's opinion, such that approval should be obtained, unless an exception in ASX Listing Rule 10.12 applies.

The Recipients are each a related party of the Company by virtue of being Directors or relatives of Directors or persons who have been Directors in the last 6 months. Further, the issue of the New Shares involves the issue of securities to related parties of the Company. As such, Shareholder approval pursuant to ASX Listing Rule 10.11 is required unless an exception applies. It is the view of the Directors that the exceptions set out in ASX Listing Rule 10.12 do not apply in the current circumstances. As such, Shareholder approval for the purpose of ASX Listing Rule 10.11 is being sought in respect of Resolutions 3 – 7.

If approval is given by Shareholders to Resolutions 3 – 7, the issue of New Shares will not come out of the Company's capacity under ASX Listing Rule 7.1 (and separate approval is not required under ASX Listing Rule 7.1) as the approval of Shareholders is being obtained under ASX Listing Rule 10.11.

5.4 Technical information required by Listing Rule 14.1A

If Resolutions 3 – 7 are passed, the Company will be able to proceed with the issue of the New Shares to the Recipients within one month after the date of the General Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue of the New Shares (because approval is being obtained under Listing Rule 10.11), the issue of the New Shares will not use up any of the Company's 15% annual placement capacity.

If Resolutions 3 – 7 are not passed, the Company will not be able to proceed with the issue of the New Shares to the Recipients.

5.5 ASX Listing Rules 10.11 and 10.13

The following information is provided in accordance with ASX Listing Rules 10.11 and 10.13:

- (iii) 3,630,000 New Shares to Mr Sam Rizzo;
- (iv) 1,810,000 New Shares to Mr Zak Rizzo; and
- (v) 3,630,000 to Ms Catherine Charnaud.

All of the New Shares are fully paid ordinary shares in the Company in the same class as the Company's existing listed shares (ASX:ECT).

(c) The date by which the Company will issue the shares

If Resolutions 3 – 7 are approved, the Company intends to issue the New Shares within 5 business days after the date of the General Meeting, but in any event within 1 month after the date of the General Meeting (or such later date as ASX permits).

(d) Issue price and consideration

The New Shares will have an issue price of \$0.0055 per share.

Therefore, the Company will receive consideration of \$79,805.00 in respect of the issues of the New Shares.

(e) Intended use of the funds raised

The Company intends to use funds raised from the issue of the New Shares as follows:

- to finalise design and engineering for the installation of the pyrolysis kiln (already owned by ECT and delivered on site in August 2021) at the Company's Bacchus Marsh Plant;
- progress ongoing discussions regarding potential supply agreements, for lignite and other input streams, and offtake agreements, for COLDry and char;

5.6 Recommendation

The Board (excluding Directors who are participating in the issue) recommends that Shareholders vote **IN FAVOUR** of Resolution 3 – 7.

5.7 Voting exclusion statement

Voting exclusion statements with respect to Resolutions 3 – 7 are contained in the Notice of Meeting.

6. RESOLUTION 8 – ISSUE OF DIRECTOR INCENTIVE OPTIONS TO MR SAM RIZZO

6.1 General

Resolution 8 seeks Shareholder approval for the purposes of ASX Listing Rule 10.11 to allow the Company to issue 100,000,000 unlisted Options with an exercise price of \$0.03 and an expiry date of 3 and 4 years from the date of grant (**Director Incentive Options**) as follows:

- (a) 80,000,000 Director Incentive Options to Mr Sam Rizzo with 3 years expiry from grant date (a Director of the Company).
- (b) 20,000,000 Director Incentive Options to Mr Sam Rizzo with 4 years expiry from grant date (a Director of the Company).

The Director Incentive Options will be issued to Mr Sam Rizzo on the terms and conditions set out in Schedule 1.

The issue of the Director Incentive Options is intended to occur within 5 business days after Resolution 8 is approved by Shareholders at the General Meeting. The Director Incentive Options will not be issued more than one month after the date of the Meeting (or such later date as is permitted by ASX).

6.2 Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must, pursuant to section 208 of the Corporations Act:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act. One of the exceptions is that the benefit is given on arm's length terms.

The issue of Director Incentive Options constitutes giving a financial benefit and Mr Sam Rizzo is a related party of the Company by virtue of being a Director of the Company.

The Directors (other than Mr Sam Rizzo) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue of Director Incentive Options because the Director Incentive Options will be issued to Mr Sam Rizzo on the arm's length negotiated terms and as such giving of the financial benefit is on commercial arm's length terms.

6.3 ASX Listing Rule 10.11

ASX Listing Rule 10.11 also requires shareholder approval to be obtained where an entity issues, or agrees to issue, securities to a related party, or a person whose relationship with the entity or a related party is, in ASX's opinion, such that approval should be obtained, unless an exception in ASX Listing Rule 10.12 applies.

Mr Sam Rizzo is a related party of the Company by virtue of being a Director of the Company. Further, the issue of the Director Incentive Options involves the issue of securities to a related party of the Company. As such, Shareholder approval pursuant to ASX Listing Rule 10.11 is required unless an exception applies. It is the view of the Directors that the exceptions set out in ASX Listing Rule 10.12 do not apply in the current circumstances. As such, Shareholder approval for the purpose of ASX Listing Rule 10.11 is being sought in respect of Resolution 8.

If approval is given by Shareholders to Resolution 8, the issue of Director Incentive Options will not come out of the Company's capacity under ASX Listing Rule 7.1 (and separate approval is not required under ASX Listing Rule 7.1) as the approval of Shareholders is being obtained under ASX Listing Rule 10.11.

6.4 Technical information required by Listing Rule 14.1A

If Resolution 8 is passed, the Company will be able to proceed with the issue of the Director Incentive Options to Mr Sam Rizzo within one month after the date of the General Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue of the Director Incentive Options (because approval is being obtained under Listing Rule 10.11), the issue of the Director Incentive Options will not use up any of the Company's 15% annual placement capacity.

If Resolution 8 is not passed, the Company will not be able to proceed with the issue of the Director Incentive Options to Mr Sam Rizzo.

6.5 ASX Listing Rules 10.11 and 10.13

The Director Incentive Options will be issued for nil consideration. However, the Director Incentive Options have an exercise price of \$0.03 and therefore if exercised, the Company will raise \$3,000,000.00.

The funds raised from the exercise of the Director Incentive Options (if eventuating) are intended to be used for working capital and the development of the Company's technologies and projects.

7. RESOLUTION 9 – ISSUE OF INCENTIVE OPTIONS TO MR GLENN FOZARD

7.1 General

Resolution 9 seeks Shareholder approval for the purposes of ASX Listing Rule 10.11 to allow the Company to issue 80,000,000 unlisted Options with an exercise price of \$0.03 and an expiry date of 3 years from the date of grant (**Incentive Options**) to Mr Glenn Fozard (a former Director of the Company in the last 6 months) as follows.

8. RESOLUTION 10 – APPROVAL OF CONSULTING FEE SHARES TO GLENN FOZARD IN LIEU OF CONSULTING FEES

8.1 General

Subject to a number of exceptions, ASX Listing Rule 10.1 requires an entity to seek and receive shareholder approval prior to issuing securities to certain persons. Specifically related to this resolution, Listing Rule 10.11.1 requires shareholder approval prior to issuing shares to a related party (including Directors and former Directors).

Resolution 10 seeks approval for the Company to issue shares to Glenn Fozard a former Director (**Consulting Fee Shares**) in lieu of cash fees totalling \$15,819.26, which would otherwise be payable to him. The number of shares to be issued are to be calculated using the VWAP for the months in which the consulting fees were earned.

8.2 Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must, pursuant to section 208 of the Corporations Act:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and

(b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act. One of the exceptions is that the benefit is given on arm's length terms.

The issue of Consulting Fee Shares constitutes giving a financial benefit and Mr Glenn Fozard is a related party of the Company by virtue of being a previous Director of the Company within the last 6 months.

The Directors (other than Mr Glenn Fozard) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue of Consulting Fee Shares because the Consulting Fee Shares will be issued to Mr Glenn Fozard in lieu of the payment of a portion of their fees in cash and the issue price of the Consulting Fee Shares will be calculated with reference to the Company's VWAP, and as such giving of the financial benefit is on commercial arm's length terms.

8.3 ASX Listing Rule 10.11

ASX Listing Rule 10.11 also requires shareholder approval to be obtained where an entity issues, or agrees to issue, securities to a related party, or a person whose relationship with the entity or a related party is, in ASX's opinion, such that approval should be obtained, unless an exception in ASX Listing Rule 10.12 applies.

Glenn Fozard is a related party of the Company by virtue of being a Director of the Company within the last 6 months.

If approval is given by Shareholders to Resolution 10, the issue of Consulting Fee Shares will not come out of the Company's capacity under ASX Listing Rule 7.1 (and separate approval is not required under ASX Listing Rule 7.1) as the approval of Shareholders is being obtained under ASX Listing Rule 10.11.

8.4 Technical information required by Listing Rule 14.1A

If Resolution 10 is passed, the Company will be able to proceed with the issue of the Consulting Fee Shares to Glenn Fozard within one month after the date of the General Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue of the Consulting Fee Shares (because approval is being obtained under Listing Rule 10.11), the issue of the Consulting Fee Shares will not use up any of the Company's 15% annual placement capacity.

If Resolution 10 is not passed, the Company will not be able to proceed with the issue of the Consulting Fee Shares to Mr Glenn Fozard.

8.5 ASX Listing Rules 10.11 and 10.13

Glenn Fozard, former Director. See sections above.
- (b) The maximum number of Consulting Fee Shares to be issued

The amounts owing to Mr Fozard are \$819.26 from June 2023 and \$15,000 from July 2023. The VWAPs for these months were \$0.008 and \$0.007 respectively.

(c) Terms of the Consulting Fee Shares

The Consulting Fee Shares will rank equally and have the terms as the Company's existing fully paid ordinary shares on issue (ASX: ECT).

(d) The date by which the Company will issue the Consulting Fee Shares

If Resolution 10 is approved, the Company intends to issue the Consulting Fee Shares within 5 business days after the date of the General Meeting, but in any event within 1 month after the date of the General Meeting (or such later date as ASX permits).

(e) Issue price and consideration

No funds will be raised from the issue of the Consulting Fee Shares.

However, the Consulting Fee Shares are being issued in lieu of consulting fees which would otherwise be payable to Mr Glenn Fozard in cash. Based on the issue price of the Consulting Fee Shares (calculated by reference to the Company's monthly VWAP for the months of June and July 2023 which are the months in which the consulting fees were earned), the Company is saving cash resources of \$15,819.26 by issuing the Consulting Fee Shares in lieu of cash fees.

8.6 Recommendation

The Board recommends that Shareholders vote **IN FAVOUR** of Resolution 10.

8.7 Voting exclusion statement

A voting exclusion statement with respect to Resolution 10 is contained in the Notice of Meeting.

9. RESOLUTION 11 – RATIFICATION OF PRIOR ISSUE OF PLACEMENT SHARES PURSUANT TO THE PLACEMENT

The Placement comprised the issue of 349,126,363 new fully paid ordinary shares at an issue price of \$0.0055 per Share (**Placement Shares**). The Placement price of \$0.0055 represented a 21.4% discount to the closing price of Shares on 14 August 2023. The Placement Shares were issued pursuant to the Company's 15% capacity under ASX Listing Rule 7.1 and Resolution 11 seeks Shareholder approval to ratify the issue.

9.2 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The issue of the Placement Shares does not fit within any of these exceptions and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12-month period following the issue date.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. To this end, Resolution 11 seeks Shareholder approval for the issue of the Placement Shares under and for the purposes of Listing Rule 7.4.

9.3 Technical information required by ASX Listing Rule 14.1A

If Resolution 11 is passed, the issue of the Placement Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities it can issue without Shareholder approval over the 12-month period following the issue date.

If Resolution 11 is not passed, the issue of the Placement Shares will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without Shareholder approval over the 12-month period following the issue date.

Resolution 11 seeks Shareholder approval for the purposes of ASX Listing Rule 7.1 and 7.4 for the issue of the Placement Shares.

9.4 Technical information required by ASX Listing Rule 7.5

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to Resolution 11:

- the persons to whom the Company issued the Placement Shares were institutional and sophisticated investors identified by introduced to the Company by the Lead Manager pursuant to the Placement (and each of these persons is a not related party, key management personnel member, substantial holder or advisor to the Company);
- 349,126,363 Placement Shares were issued. All of the Placement Shares are fully paid ordinary shares in the Company in the same class as the Company's existing listed shares (ASX: ECT);
- the Placement Shares were issued on 28 August 2023;

- the Placement Shares were issued at an issue price of \$0.0055 per share; and
- The Company intends to use funds raised from the Placement:
 - to finalise design and engineering for the installation of the pyrolysis kiln (already owned by ECT and delivered on site in August 2021) at the Company's Bacchus Marsh Plant;
 - progress ongoing discussions regarding potential supply agreements, for lignite and other input streams, and offtake agreements, for COLDry and char;
 - identification and assessment of complementary or synergistic acquisition opportunities; and
 - for working capital, including continuing a strategic review of the Company's existing technologies.

9.5 Recommendation

The Board recommends that Shareholders vote **IN FAVOUR** of Resolution 11.

9.6 Voting exclusion statement

A voting exclusion statement with respect to this Resolution is contained in the Notice of Meeting.

10. RESOLUTIONS 12 & 13 – RATIFICATION OF THE PRIOR ISSUE OF THE LEAD MANAGER SHARES AND LEAD MANAGER OPTIONS IN CONNECTION WITH THE PLACEMENT

10.1 Background

Kaai Capital Limited (**Lead Manager**) was appointed to act as lead manager for the Placement.

The Lead Manager's provision of lead manager services for the Placement was pursuant to an agreement between the Lead Manager and the Company (**Kaai Agreement**). Pursuant to the Kaai Agreement, the Company was required to issue to the Lead Manager:

- 21,818,182 Shares at an issue price of \$0.0055 per Share (**Lead Manager Shares**); and
- 50,000,000 unlisted Options each with an exercise price of \$0.011 and expiring on 28 August 2026 (**Lead Manager Options**).

The Kaai Agreement otherwise contains terms relating to warranties, termination and general provisions that are considered standard for an agreement of this nature.

The Lead Manager Options have been valued according to a Black & Scholes valuation model on the following assumptions:

	Lead Manager Options
Number of Securities	50,000,000
Assumed Share Price at date of grant	\$0.006
Exercise price	\$0.011

Market value on ASX of underlying Shares at time of setting exercise price	\$0.006
Exercise price premium to market value	\$0.005
Expiry	28/08/2026
Expected volatility	100%
Risk free interest rate	3.93%
Annualised dividend yield	-
Value of each Security	\$0.0031
Aggregate value of the Securities for Kaai Capital Pty Ltd (and/or its nominees)	\$154,767.00
Maximum number of Securities	50,000,000
Dilution effect post-issue of the Securities (assuming the Options convert (if applicable))	1.76%

The value of the Lead Manager Options has been calculated based on the Share price when the proposed issue of the Lead Manager Options was announced to ASX, being 28 August 2023.

10.2 Listing Rule 7.4

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The issue of the Lead Manager Shares and Lead Manager Options do not fit within any of these exceptions and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12-month period following the issue date.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. To this end, Resolutions 12 and 13 seek Shareholder approval for the issue of the Lead Manager Shares and Lead Manager Options under and for the purposes of Listing Rule 7.4.

10.3 Technical information required by ASX Listing Rule 14.1A

If Resolutions 12 and 13 are passed, the issue of the Lead Manager Shares and Lead Manager Options will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities it can issue without Shareholder approval over the 12-month period following the issue date.

If Resolutions 12 and 13 are not passed, the issue of the Lead Manager Shares and Lead Manager Options will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without Shareholder approval over the 12-month period following the issue date.

Resolutions 12 and 13 seek Shareholder approval for the purposes of ASX Listing Rules 7.1 and 7.4 for the issue of the Lead Manager Shares and Lead Manager Options.

10.4 Technical information required by ASX Listing Rule 7.5

In accordance with Listing Rule 7.5, information is provided in relation to the issue of the Lead Manager Shares and Lead Manager Options as follows:

- the Company issued the Lead Manager Shares and Lead Manager Options to nominees of the Lead Managers as follows:

- the Company issued 21,818,182 Lead Manager Shares and the 50,000,000 Lead Manager Options to the Lead Manager (and/or its nominees). All of the Lead Manager Shares issued are fully paid ordinary Shares and rank equally in all respects with the Company's existing Shares. All of the Lead Manager Options issued are unlisted options, each with an exercise price of \$0.011 and expiring on 28 August 2026;
- a summary of the material terms of the Lead Manger Options is set out in Schedule 2;
- the Lead Manager Shares and Lead Manager Options were issued on 28 August 2023
- the 21,818,182 Lead Manager Shares were issued at an issue price of \$0.0055 per Share, and the 50,000,000 Lead Manager Options were issued for nil consideration (refer to the table detailed in section 10.1 for further details of the valuation of the Lead Manager Options);

- no funds were raised from the issue of the Lead Manager Shares. Any funds received from the exercise of the Lead Manager Options will be utilised:

10.5 Recommendation

The Board unanimously recommends that Shareholders vote **IN FAVOUR** of Resolutions 12 and 13.

11. RESOLUTION 14 – APPROVAL OF ADDITIONAL 10% PLACEMENT CAPACITY

11.1 Introduction

ASX Listing Rule 7.1A provides that an Eligible Entity (as defined and explained below) may seek shareholder approval by **special resolution** passed at an annual general meeting to have the capacity to issue up to that number of equity securities (defined below) equal to 10% of its issued capital (**10% Placement Capacity**) without using that company's existing 15% annual placement capacity granted under ASX Listing Rule 7.1.

An Eligible Entity is one that, as at the date of the relevant annual general meeting:

- (a) is not included in the S&P/ASX 300 Index; and
- (b) has a maximum market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) of \$300,000,000.00 (**Eligible Entity**).

As at the date of this Notice, the Company is an Eligible Entity as it is not included in the S&P/ASX 300 Index and as at the time the approval is sought is expected to have a market capitalisation of approximately \$30 million.

An equity security is a share, a unit in a trust, a right to a share or unit in a trust or option, an option over an issued or unissued security, a convertible security, or any security that ASX decides to classify as an equity security.

Any equity securities issued under the 10% Placement Capacity must be in the same class as an existing class of quoted equity securities.

The number of Shares that the Company may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (detailed below) should the Shareholders approve this Resolution.

Note that Resolution 14 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the meeting must be in favour of the resolution for it to be passed.

11.2 The number of Shares to be issued

The Number of Shares that the Company may issue under the 10% Placement Capacity will be calculated according to the following formula:

$$(A \times D) - E$$

A: is the number of Shares on issue 12 months before the date of the issue or agreement,

- Plus, the number of fully paid Shares issued in the relevant period under an exception in ASX Listing Rule 7.2 other than exception 9, 16 or 17;
- Plus, the number of fully paid Shares issued in the relevant period on the conversion of convertible securities within ASX Listing Rule 7.2 exception 9 where:
 - the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - the issue of, or agreement to issue, the convertible securities was approved, or taken under these rules to have been approved, under ASX Listing Rule 7.1 or 7.4;
- Plus, the number of fully paid Shares issued in the relevant period under an agreement to issue securities within ASX Listing Rule 7.2 exception 16 where:
 - the agreement was entered into before the commencement of the relevant period; or
 - the agreement or issue was approved, or taken under these rules to have been approved, under ASX Listing Rule 7.1 or 7.4;
- Plus, the number of any other fully paid Shares issued in the relevant period with approval under ASX Listing Rule 7.1 and 7.4;
- Plus, the number of partly paid Shares that became fully paid in the relevant period; and
- Less the number of fully paid Shares cancelled in the relevant period.

D: is 10%.

E: is the number of Equity Security issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the relevant period where the issue or agreement has not been subsequently approved by the holders of Shares under ASX Listing Rule 7.4.

By applying the above formula, the number of Shares that may be issued under the 10% Placement Capacity is 284,755,511.

11.3 Technical information required by ASX Listing Rule 7.1A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution 14:

Minimum Price

The minimum price at which the Shares will be issued will be no less than 75% of the volume weighted average market price for the Shares, calculated over the 15 trading days on which trades were recorded immediately before:

- the date on which the price at which the securities are to be issued was agreed by the entity and the recipient of the securities; or
- if the securities are not issued within 10 days of that date, the date on which the securities were issued.

Risk of economic and voting dilution

Any issue of Shares under the 10% Placement Capacity will dilute the interest of the Shareholders who do not receive any Shares under the issue.

If Resolution 14 is approved by the Shareholders and the Company issues the maximum number of Shares available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be shown in the table below.

The table below shows the dilution of existing Shares calculated in accordance with the formula outlined in ASX Listing Rule 7.1A.2, based on the market price of Shares as at 27 September 2023 and the estimated number of Shares on issue as at the date of the General Meeting.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

Number of Shares on Issue (Variable A in ASX Listing Rule 7.1A2)	Dilution			
	Issue Price / Share	\$0.003	\$0.006	\$0.012
		(50% decrease in Issue Price)	Issue Price	(50% increase in Issue Price)
2,847,555,114	Shares issued – 10% voting dilution	284,755,511	284,755,511	284,755,511
(Current Variable A*)	Funds raised	\$854,267.00	\$1,708,533.00	\$3,417,066.00
4,271,332,671	Shares issued – 10% voting dilution	427,133,267	427,133,267	427,133,267
(50% increase in Variable A)	Funds raised	\$1,281,400.00	\$2,562,800.00	\$5,125,599.00
5,695,110,228	Shares issued – 10% voting dilution	569,511,023	569,511,023	569,511,023
(100% increase in Current Variable A)	Funds raised	\$1,708,533.00	\$3,417,066.00	\$6,834,132.00

* The number of Shares on issue (Variable A) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under ASX Listing Rule 7.1.

The above table assumes:

- There are 2,847,555,114 Shares on issue.
- The Company issues the maximum possible number of Shares under the 10% Placement Capacity.
- The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
- This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue – this is why the voting dilution is shown in each example as 10%.

Shareholders should also note that there are risks that:

- (a) the market price of the Company's Shares may be significantly lower on the issue date than on the date of the approval obtained under ASX Listing Rule 7.1A; and
- (b) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

Period of time approval is valid for

The Shares may be issued under the 10% Placement Capacity in the period commencing on the date of the approval obtained under ASX Listing Rule 7.1A and expiring on the first to occur of the following:

- (c) 12 months after the date of this General Meeting at which approval is obtained;
- (d) the time and date of the entity's next annual general meeting; and
- (e) the time and date of approval by Shareholders of any transaction under ASX Listing Rule 11.1.2 (a significant change to the nature or scale of the company's activities) or 11.2 (disposal of the company's major undertaking) (**10% Placement Capacity Period**).

Purpose of Issue under the 10% Placement Capacity

The Company may issue Shares under the 10% Placement Capacity to raise cash for acquisitions of new assets and investments (including expenses associated with such acquisitions), and for general working capital of the Company.

The Company will comply with its disclosure obligations under ASX Listing Rule 7.1A.4 and 3.10.3 in relation to an issue of any equity securities.

Allocation policy under the 10% Placement Capacity

The recipients of the Shares to be issued under the 10% Placement Capacity have not been determined. However, the recipients of Shares could consist of current Shareholders, or new investors (or all of them). None of them will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 10% Placement Capacity, by having regard to:

- (a) the purpose of the issue;
- (b) alternative methods for raising funds available to the Company at that time, including, but not limited to an entitlement issue or other offer where existing Shareholders may participate;
- (c) the effect of the issue of the Shares on the control of the Company;
- (d) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (e) prevailing market conditions; and
- (f) advice from legal, corporate, financial and broking advisers (if applicable).

Prior issues of securities under ASX Listing Rule 7.1A

The Company has not issued, or agreed to issue, any securities under listing rule 7.1A.2 in the 12-month period prior to the date of the General Meeting.

11.4 Technical information required by ASX Listing Rule 14.1A

If Shareholders approve Resolution 14, the number of equity securities the Company may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (as set out above in this Resolution 14).

If Resolution 14 is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without Shareholder approval as provided for in ASX Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in ASX Listing Rule 7.1.

11.5 Board recommendation

The Directors of the Company believe that Resolution 14 is in the best interests of the Company and unanimously recommend that Shareholders vote **IN FAVOUR** of this Resolution 14.

- (d) Holders may exercise all their Options at once, or may exercise parcels of their Options which are multiples of 1,000 (or such lower multiple as the Company permits in its absolute discretion).

3.2 Vesting Conditions

In the event of any reorganisation including subdivision, consolidation, reduction, return or cancellation of the issued capital of the Company, the rights of a holder of Securities will be changed to the extent necessary to comply with the applicable ASX Listing Rules governing reorganisations in force at the time of the reorganisation.
